

Dear All Saints Families,

Welcome to the 2021-2022 school year!

I would like to introduce myself as the new principal of All Saints Catholic School. I have been in education for 26 years, and most of that time was in the middle school classroom as a math and science teacher. I taught here at All Saints from 1998 through 2004, so it is good to be back! I have spent time honing my leadership skills at Metropolitan Community College while directing the Adult Education Program. Most recently I was an administrator at Saint Albert Catholic in Council Bluffs. Although I have met many All Saints students during summer school, I look forward to them all returning in August.

It has been busy at All Saints this summer. I recently attended a conference with other area principals, and Mrs. Bush has brought me up to speed on many school topics. Completely Kids programming will be winding down next week, so we thank them for all they do to enrich our students. Mr. Hunt has been working hard to get our facility organized, clean, and in top-notch condition for students. Teachers continue to prepare for students with professional development, which will continue throughout early August.

We invite you to visit our website for information on upcoming events <https://allsaintscs.org>. Watch for information regarding our Open House on August 16 from 6:00-7:00, and the first day of school on August 18. Other important information, such as our Handbook, can be found here. <https://allsaintscs.org/resources/parent-resources/>

The caring All Saints staff and I feel privileged to be part of this school family. We thank you for your support and look forward to serving your students. Enjoy the rest of your summer!

Sincerely,

Angie Whitfield  
Principal  
All Saints Catholic School
