2021-2022 CUES School System Back to School Protocols

Date: August 13, 2021

To: CUES School System Parents/Guardians, Staff, and Students

From: CUES School System Leadership Team

At the CUES School System, our goal is for all students to be in school in person every day. We will continue to do everything necessary to keep our students and families safe. We are incredibly grateful to all of you for ensuring the safety and success of our students.

COVID Protocols for CUES School System:

1. Everyone must self-screen for symptoms prior to entering buildings. If symptoms exist, the individual must stay home from school activities.
2. We will continue with frequent hand washing and using hand sanitizer.
3. Classroom disinfecting and sanitizing will continue throughout each school day to ensure a safe environment for all students and staff.
4. We will encourage social distancing of three feet whenever possible.
5. Protocols within the cafeteria be determined at the building level.

Face Coverings

All faculty, staff and students will be required to wear a mask indoors. Students and staff will not have to wear their masks outside during recess or any other outdoor activity. Students will be allowed to take off masks while eating.

All parents and visitors entering the building for any reason will be required to wear a mask.

It is important to note that these protocols may be modified over time based on changing circumstances and may change for a specific school building or classroom based on cases, contact tracing, community conditions and risk of spread.

CUES CULTURE STATEMENT

The CUES School System at All Saints, Holy Name and Sacred Heart, is rooted in Catholic Faith and Values. We share God's Love, Kindness, and Excellence
