Many children in our state and country lack access to private or personalized education, primarily due to financial constraints. Fortunately, **our school system provides low-income families with access to private education through grants and donations.** To continue offering school choice to parents and children, **we need your support in applying for the scholarship. The funds received will greatly benefit your student(s), other students, and our school.**

**On Friday, October 18th, we will have an in-person work session at Sacred Heart School to complete the scholarship from 3:15-5:00 PM. Please bring a picture ID, the 1040 tax form, and the social security numbers for your children.**
