## Instructions: **First Time** Safe Environment Certification

In 2002, the USCCB created the Charter for the Protection of Children and Young People. This charter mandates that all adults who interact with children/vulnerable adults in the name of the Church are required to become Safe Environment Certified. The Archdiocese of Omaha requires this mandate be implemented.

\*If already certified, do **NOT** create another account – see instructions for recertification. (If assistance is needed with recovering your username and password, contact your parish/school SE Coordinator)

### 1. Register for a new account on the Catholic Mutual Platform:

<https://omaha.CMGconnect.org>

### 2. Complete all sections of the Registration Box

- a. Choose a username and password
- b. Enter contact and profile information
- c. Select the primary parish/school at which you volunteer or are employed
- d. Choose your role (employee, volunteer, etc.) and select the check box that describes the specific participation category that reflects your involvement
- e. Click “Register” to complete your account setup

### 3. Click “Start” for the **SE Live Training & Background Check** curriculum in order to:

- a. Acknowledge and agree to the Archdiocesan Code of Conduct
- b. RSVP for a live training
- c. Give consent and submit information for a background check

### 4. Attend the training

The background check request will not be processed until the training is completed (training takes approximately 2 ½ hours)

Usually, SE certification takes 7-10 days following this process and is valid for 6 years.
